Note to Editors:

MV Index Solutions (MVIS®) develops, monitors and licenses the MVIS Indices and BlueStar Indexes, a selection of focused, investable and diversified benchmark indices. The indices are especially designed to underlie financial products. MVIS Indices cover several asset classes, including equity, fixed income markets and digital assets and are licensed to serve as underlying indices for financial products. Approximately USD 21.88 billion in assets under management (as of 11 December 2020) are currently invested in financial products based on MVIS Indices. MVIS is a VanEck company.
